## Jeff Buckley

**Intro** C Am C Am

**Verse 1** C Am  
I heard there was a secret chord  
C Am  
That David played and it pleased the lord  
F G C G  
But you don't really care for music, do you  
C F G  
Well it goes like this the fourth, the fifth  
Am F  
The minor fall and the major lift  
G E7 Am  
The baffled king composing halle- lujah

**Chorus 1** F Am F C G  
Halle- lujah, halle- lujah, halle- lujah, halle- lu-u- u-u-  
C Am C Am  
jah

**Verse 2** C Am  
Well your faith was strong but you needed proof  
C Am  
You saw her bathing on the roof  
F G C G  
Her beauty and the moonlight over threw you  
C F G  
She tied you to her kitchen chair  
Am F  
She broke your throne and she cut your hair  
G E7 Am  
And from your lips she drew the halle- lujah

**Chorus 2**  
As Chorus 1

**Verse 3** C Am  
Well Baby I've been here before  
C Am  
I've seen this room and I've walked this floor  
F G C G  
I used to live a lone before I knew you  
C F G  
I've seen your flag on the marble arch  
Am F  
But love is not a victory march  
G E7 Am  
It's a cold and it's a broken halle- lujah

**Chorus 3**

As Chorus 1

**Verse 4**

Well there was a time when you let me know  
 What's really going on below  
 But now you never show that to me do you  
 But re member when I moved in you  
 And the holy dove was moving too  
 And every breath we drew was halle- lujah

**Chorus 4**

As Chorus 1

**Verse 5**

Well, maybe there's a god above  
 But all I've ever learned from love  
 Was how to shoot some body who out drew you  
 It's not a cry that you hear at night  
 It's not somebody who's seen the light  
 It's a cold and it's a broken halle- lujah

**Chorus 5**

Halle- lujah, halle- lujah, halle- lujah, halle- lu-u- u-u-

# Love Yourself

Justin Bieber

**Verse 1**

For all the times that you rain on my parade  
 And all the clubs you get in using my name  
 You think you broke my heart, oh girl for goodness sake  
 You think I'm crying, on my own, well I ain't  
 And I didn't wanna write a song cause I didn't want anyone thinking I still care  
 I don't but, you still hit my phone up  
 And baby I'll be movin' on and I think you should be somethin'  
 I don't wanna hold back, maybe you should know that

**Pre-Chorus**

My mama don't like you and she likes every one  
 And I never like to admit that I was wrong  
 And I've been so caught up in my job, didn't see what's going on  
 And now I know, I'm better sleeping on my own

**Chorus**

Cause if you like the way you look that much  
 Oh baby you should go and love your self  
 And if you think that I'm still holdin' on to somethin'  
 You should go and love your self

**Verse 2** C G/B Am Dm C G/B

But when you told me that you hated my friends  
 The only problem was with you and not them  
 And every time you told me my opinion was wrong  
 And tried to make me forget where I came from  
 And I didn't wanna write a song cause I didn't want anyone thinking I still care  
 I don't but, you still hit my phone up  
 And baby I'll be movin' on and I think you should be somethin'  
 I don't wanna hold back, maybe you should know that

**Pre-Chorus** Am F C Am F C Am F C G Am F G

My mama don't like you and she likes everyone

**Chorus** C G Am F C G C

Cause if you like the way you look that much  
 Oh baby you should go and love yourself

**Verse 3** C G/B Am Dm C G/B

For all the times that you made me feel small  
 I fell in love, now I feel nothin' at all  
 I never felt so low when I was vulnerable  
 Was I a fool to let you break down my walls

**Chorus** C G Am F C G C

Cause if you like the way you look that much  
Oh baby you should go and love yourself  
And if you think that I'm still holdin' on to somethin'

## Justin Bieber

**Intro** G Bm A

G Bm A

**Verse 1** G Bm A

You gotta go and get angry at all of my honesty  
 You know I try but I don't do too well with apologies  
 I hope I don't run out of time, could someone call a referee  
 Cause I just need one more shot at forgiveness

**Verse 2** G Bm A

I know you know that I made those mistakes maybe once or twice  
 By once or twice I mean maybe a couple a hundred times  
 So let me, oh let me redeem, oh redeem, oh myself tonight  
 Cause I just need one more shot at second chances

**Chorus** G Bm A  
 Is it too late now to say sorry  
 G Bm A  
 Cause I'm missing more than just your body  
 G Bm A  
 Is it too late now to say sorry  
 Em  
 Yeah I know that I let you down  
 G A  
 Is it too late to say I'm sorry now

**Verse 2** G Bm A

I'll take every single piece of the blame if you want me to  
 But you know that there is no innocent one in this game for two  
 I'll go, I'll go and then you go, you go out and spill the truth  
 Can we both say the words and forget this

# Take Me Home, Country Roads

John Denver

**Verse**      **G Em D C G**

Almost Heaven, West Virginia, Blue Ridge Mountains, Shenandoah River.  
Life is old there, older than the trees, younger than the mountains, blowin  
like a breeze.

**Chorus**      **G D7 Em C G D C G**

Country Roads, take me home, to the place I belong  
West Virginia, mountain mama, take me home, country roads.

**Verse 2**      **G Em D C G**

All my memories gather round her, miner's lady, stranger to blue water.  
Dark and dusty, painted on the sky, misty taste of moonshine, teardrop in my eye.

**Chorus**      **G D7 Em C G D C G**

Country Roads, take me home, to the place I belong  
West Virginia, mountain mama, take me home, country roads.

**Bridge**      **Em D7/F# G C G D**

I hear her voice in the morning hours she calls me  
the radio reminds me of my home far away.

**Em F C G D D7**

And driving down the road I get a feeling that I should have been home  
yesterday, yesterday.

**Chorus**      **G D7 Em C G D C G**

Country Roads, take me home, to the place I belong  
West Virginia, mountain mama, take me home, country roads.

**Chorus**    **G D7 Em C G D C G**

Country Roads, take me home, to the place I belong  
West Virginia, mountain mama, take me home, country roads.

**Outro**    **D G**

Take me home, country roads.  
Take me home, country roads.

# Thinking Out Loud

## Ed Sheeran

**Verse 1**    **D D/F# G6 A**

When your legs don't work like they used to before  
 And I can't sweep you off of your feet  
 Will your mouth still remember the taste of my love  
 Will your eyes still smile from your cheeks

**D D/F# G6 A D D/F# G6 A**

And darling I will be loving you 'til we're 70  
 And baby my heart could still fall as hard at 23  
 And I'm thinking 'bout how

**Pre-chorus** **Em A D Em A**

people fall in love in mysterious ways

Maybe just the touch of a hand

**Em A Bm Em A**

Oh me I fall in love with you every single day

And I just wanna tell you I am

**Chorus** D D/F# G6 A D D/F# G6

So honey now take me into your loving arms

A D D/F# G6

Kiss me under the light of a thousand stars

A D D/F#

Place your head on my beating heart

G6 A

I'm thinking out loud

Bm A G D/F# Em A D

Maybe we found love right where we are

**Verse** D D/F# G6 A

When my hair's all but gone and my memory fades

And the crowds don't remember my name

When my hands don't play the strings the same way

I know you will still love me the same

D D/F# G6 A D D/F# G6 A

Cause honey your soul could never grow old, it's evergreen

And, baby, your smile's forever in my mind and memory

I'm thinking 'bout how

**Pre-chorus** Em A Bm Em A

people fall in love in mysterious ways

Maybe it's all part of a plan

Well, I'll just keep on making the same mistakes

Hoping that you'll understand

**Chorus** []  
**Repeat**

**Chorus** []

**Repeat**

**Outro** **Bm A G D/F# Em A D**

That maybe we found love right where we are

Oh baby, we found love right where we are

And we found love right where we are

# Treat You Better

## Shawn Mendes

**Verse**      **Am F G**

I won't lie to you  
I know he's just not right for you  
And you can tell me if I'm off  
But I see it on your face  
When you say that he's the one that you want  
And you're spending all your time  
In this wrong situation  
And anytime you want it to stop

**Chorus**      **Am F G C**

I know I can treat you better  
Than he can  
And any girl like you deserves a gentleman  
Tell me why are we wasting time  
On all your wasted cryin'  
When you should be with me instead  
I know I can treat you better  
Better than he can

**Verse**      **Am F G**

I'll stop time for you  
The second you say you'd like me to  
I just wanna give you the loving that you're missing  
Baby, just to wake up with you  
Would be everything I need and this could be so different  
Tell me what you want to do

**Chorus** []

**Repeat**

**Bridge** Am G C F Am G F

Give me a sign

Take my hand, we'll be fine

Promise I won't let you down

Just know that you don't

Have to do this alone

Promise I'll never let you down

**Chorus** []

**Repeat**

# Wagon Wheel

## Old Crow Medicine Show

**Chords** G D Em C  
**(whole song)**

**Verse**

Headed down south to the land of the pines  
 Thumbin' my way into North Caroline  
 Starin' up the road pray to God I see headlights  
 I made it down the coast in seventeen hours  
 Pickin' me a bouquet of dogwood flowers  
 And I'm a hopin' for Raleigh  
 I can see my baby tonight

**Chorus**

So rock me mama like a wagon wheel  
 Rock me mama anyway you feel  
 Hey mama rock me  
 Rock me mama like the wind and the rain  
 Rock me mama like a south-bound train  
 Hey mama rock me

**Verse**

Runnin' from the cold up in New England  
 I was born to be a fiddler in an old-time string band  
 My baby plays the guitar  
 I pick a banjo now  
 Oh, the North country winters keep a gettin' me now  
 Lost my money playin' poker so I had to up and leave  
 But I ain't a turnin' back  
 To livin' that old life no more

**CHORUS** []

**Verse**

Walkin' to the south out of Roanoke  
I caught a trucker out of Philly  
Had a nice long toke  
But he's a headed west from the Cumberland Gap  
To Johnson City, Tennessee  
And I gotta get a move on before the sun  
I hear my baby callin' my name  
And I know that she's the only one  
And if I die in Raleigh at least I will die free

**CHORUS** []

# We Are Gonna Be Friends

## The White Stripes

**Verse 1**

**G**  
Fall is here, hear the yell

**G**  
Back to school, ring the bell

**C**  
Brand new shoes, walking blues

**G**  
Climb the fence, books and pens

**D**                    **C**                    **G**  
I can tell that we are gonna be friends

**D**                    **C**                    **G**  
I can tell that we are gonna be friends

**Verse 2**

Walk with me, Suzy Lee

Through the park, and by the tree

We will rest upon the ground

and look at all the bugs we've found

Safely walk to school without a sound

Safely walk to school without a sound

**Verse 3**

Here we are, no one else

We walked to school all by ourselves

There's dirt on our uniforms

from chasing all the ants and worms

We clean up and now it's time to learn

We clean up and now it's time to learn

**Verse 4**

Numbers, letters, learn to spell

Nouns and books, and show and tell

At playtime we will throw the ball

Back to class, through the hall

Teacher marks our height against the wall

Teacher marks our height against the wall
